

LibrariesWeek

7-12 OCTOBER 2019

CELEBRATING LIBRARIES IN A DIGITAL WORLD

Build the Library of the Future

Enter CILIP's Libraries Week Competition to build your
Library of the Future out of LEGO

CILIP is running a competition in libraries across the UK inviting people to get creative and build their 'Library of the Future' out of LEGO.

The most innovative and inspired entry will receive tickets to LEGOLAND® Windsor! Plus £500 for your local library.

To enter this competition, build your LEGO Library, take a photo, share it on Twitter and tag @LibrariesWeek with the hashtag #LEGOLibrary and tell us what is unique or innovative about your library of the future.

Entries should be posted between 23rd September and 7th October.

The winner will be selected by library champion, and TV personality, Bobby Seagull, and announced during Libraries Week.

Read the full terms and find out more at www.librariesweek.org.uk/library-of-the-future
